This Electronic Filer Agreement ("**Agreement**") is made by and among Verus, LLC with offices at 3967 Princeton Pike, Princeton, NJ 08540 ("**Verus**"), the Sepco Asbestos Personal Injury Trust ("**Sepco Trust**"), with offices at 1100 North Market Street, Wilmington, Delaware 19890, and the law firm of _____, with offices at _____ ("**Law Firm**") (each a "**Party**" and, collectively, the "**Parties**").

Recitals

WHEREAS, Verus processes asbestos personal injury claims on behalf of various trusts, including the Sepco Trust;

WHEREAS, the Law Firm intends to file asbestos personal injury claims on behalf of the Law Firm's clients ("**Claimants**") against the Sepco Trust; and

WHEREAS, it is mutually beneficial to the Sepco Trust, Verus, and the Law Firm to communicate information electronically and thereby speed claim processing and lower transactional costs.

NOW, THEREFORE, in consideration of the promises and undertakings described herein, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Electronic Claims Filing

- 1.1 Access to MFR Online. Subject to the terms hereof, Verus shall provide the Law Firm access to Verus' proprietary online, electronic claims filing system ("**MFR Online**") for the limited purpose of electronically filing and settling asbestos personal injury claims with the Sepco Trust. (When the context permits, as used herein, "access to MFR Online" may also refer to access to the claims information electronically submitted by the Law Firm in connection with asbestos personal injury claims filed against the Sepco Trust). The Law Firm shall be permitted access through MFR Online to information regarding only the Law Firm's own claims filed against the Sepco Trust, and the Law Firm shall be authorized to act through MFR Online in regard only to the Law Firm's clients' claims filed against the Sepco Trust. The Law Firm shall not use MFR Online to file or settle claims, or to access information regarding claims, for clients of another law firm unless such other law firm has entered separately into this Agreement and has designated in writing an authorized principal, employee, or agent of the Law Firm to serve as the Firm Administrator, as defined below, for the other law firm. In addition, the Law Firm shall only disclose information through MFR Online related to a Claimant who has authorized the Law Firm to disclose personal information of the Claimant to the Trust.

- 1.2 Filing Methods, Media, and Format. The Sepco Trust shall accept, through MFR Online, claim information from the Law Firm using one or more electronic methods, media, and formats that Verus will from time to time specify. The methods, media, and formats that Verus will specify will be among those then in general use among businesses transferring information electronically.
- 1.3 Proprietary System. The Law Firm acknowledges that MFR Online, including all enhancements thereto and all screens and formats used in connection therewith, are the exclusive proprietary property of Verus. The Law Firm agrees that it shall not publish, disclose, display, provide access to, or otherwise make available any software or any other products associated with MFR Online, or any screens, formats, reports, or printouts used, provided, or produced in connection therewith, to any person or entity other than an employee or principal of the Law Firm, with the exception that the Law Firm may publish, disclose, display, provide access to, or otherwise make available to a Claimant represented by the Law Firm any screens, formats, reports, or printouts that contain information relating solely to that Claimant's claim.

2. User Identification

- 2.1 Firm Administrator. The Law Firm's access to MFR Online shall be managed by an authorized principal, employee, or agent of the Law Firm whom the Law Firm designates in writing to serve as the "**Firm Administrator.**" The Firm Administrator need not be an attorney. The Firm Administrator shall be permitted to identify additional persons under the Law Firm's employ, management, or control who, along with the Firm Administrator, shall be authorized to access MFR Online on the Law Firm's behalf ("**Law Firm Users**"). Some Law Firm Users may be limited in the functions they can perform on MFR Online; the Firm Administrator will have the power to designate the level of authority that each of the Law Firm Users will have for MFR Online. The Law Firm shall remain responsible for oversight and supervision of the persons authorized to access MFR Online, and the Law Firm will at all times remain responsible for the accuracy of the information submitted and for the violation of any provision of this Agreement by any of the Law Firm Users.
- 2.2 Limited Access. Verus will assign a unique MFR Online password to the Firm Administrator. The Firm Administrator has the ability to assign to other Law Firm Users within the firm a password to access MFR Online. The Firm Administrator shall be responsible for assigning passwords to other Law Firm Users that comport with the best industry practices for security guidelines. Verus will provide access to MFR Online only upon entry of the Law Firm User name and password. Verus recommends that passwords be changed frequently. Law Firm Users may not share their passwords with others, and the Law Firm shall keep all user names and

passwords confidential and shall not permit any person to use an MFR Online password that is not assigned to that person. In addition, the Law Firm shall provide notice to Verus immediately when an individual is no longer under the Law Firm's employ, management, or control, or because the individual's role with the Law Firm has changed. Verus will limit each Law Firm User's access to MFR Online based upon the level of authority specified by the Firm Administrator. Verus may deny any Law Firm User access to MFR Online following failed log-ins. Verus also retains the right to temporarily deny Law Firm Users access to MFR Online for any reason, including, but not limited to, system resources, bandwidth constraints, fraud, or security concerns; but Verus shall not be responsible for any failure on its part to deny access to MFR Online to any user.

- 2.3 Reliance on Law Firm Communications. Verus and the Sepco Trust are entitled to rely on communications and instructions they receive from persons using MFR Online user accounts and passwords associated with those initially assigned by Verus and purporting to act on behalf of the Law Firm and shall not be held liable for such reliance.
- 2.4 Reaffirmation of Terms and Conditions. Each time a Law Firm User accesses MFR Online, such person will be required to review a log-on screen in the form set forth on **Attachment 1** hereto that will request reaffirmation of this Agreement and a certification that all information submitted to the Sepco Trust through Verus will comply in all respects with the requirements of Rule 11 of the Federal Rules of Civil Procedure as if the submissions were a paper presented to a court of the United States, and that such information is submitted subject to the terms of this Agreement. The log-on screen will have a hyperlink to an electronic copy of this Agreement. The log-on screen will require the Law Firm User to evidence such reaffirmation by clicking "I AGREE" or other similar language. The requirement of reaffirming the terms and conditions of this Agreement before accessing MFR Online shall not in any way affect the validity or binding effect of this Agreement once the Parties have entered into it.

3. Technical Capabilities

- 3.1 Compatible Equipment. In order to file claims through MFR Online, the Law Firm will provide its own compatible computer equipment that meets technical standards that Verus will from time to time announce. The standards that Verus will set for this purpose are intended to be among those then in general use among businesses transferring information electronically.
- 3.2 Reports. Through Verus, the Sepco Trust will make available to the Law Firm (through MFR Online) the ability to download specified data and to generate reports summarizing information regarding the Law Firm's claims.

- 3.3 Continuous Access. The MFR Online system will be available to the Law Firm seven days per week, with the exception that availability will be interrupted nightly for approximately one hour to synchronize data with the Verus processing systems and at any time as a result of system failure or when necessary for system upgrades, maintenance, or other operational considerations. When reasonably possible, Verus will notify the Law Firm in advance of any foreseen interruption of availability, but shall be under no obligation to do so. At all times, Verus will use its best efforts to minimize the length and frequency of such interruptions. Notwithstanding any other provision of this Agreement, neither Verus nor the Sepco Trust shall be liable for any damages resulting directly or indirectly from system unavailability.
- 3.4 Security. Verus, on behalf of the Sepco Trust, will maintain physical, electronic, and procedural safeguards that are reasonably designed to protect the information that the Law Firm transmits through MFR Online.

4. Rules and Procedures

- 4.1 Adherence to TDP. Electronic filing through MFR Online shall not affect the requirements of the Sepco Asbestos Personal Injury Trust Distribution Procedures ("TDP"), as may be amended from time to time.
- 4.2 Payment Criteria Unchanged. This Agreement is not intended to alter and does not supersede the claim payment criteria contained in the TDP. This Agreement does not create any rights to claim payment beyond those set forth in the TDP.

5. Claim Information

- 5.1 Law Firm Certification. The Law Firm hereby represents, and in connection with the submission of any claim shall certify, that it is authorized by the Claimant to submit a claim, and that the information and materials submitted in connection with a claim filed through MFR Online with the Sepco Trust shall comply in all respects with the requirements of Rule 11 of the Federal Rules of Civil Procedure as if the submissions were a paper presented to a court of the United States.
- 5.2 Complete Information Required. Verus and the Sepco Trust are not obligated to take any action on an electronically filed claim until they have received the complete information required by the TDP. A claim will not be deemed to be filed with the Trust unless the filing fee is remitted within 60 days of submitting the claim form to the Trust. A claim without a filing fee tolls the applicable statute of limitations or repose only if the filing fee is received within 60 days of submitting the claim form to the Trust. A claim may not be deferred prior to the time its filing fee has been paid.

- 5.3 Filing. Subject to Section 5.2, assignment of a claim number by MFR Online shall constitute filing of a claim for purposes of any applicable statute of limitations or repose provisions in the TDP. The Law Firm acknowledges and agrees that although the MFR Online system permits an electronic claim filing to be saved prior to its electronic submission, this does not constitute a valid claim filing for any purpose, including tolling of any applicable statute of limitations or repose, and Verus will not have, and in no case will be deemed to have, any record of such an entry. If the MFR Online system refuses, or otherwise does not accept, the submission of an electronic filing for any reason, including an MFR Online system failure, this too shall not constitute a tolling of any applicable statute of limitations or repose.
- 5.4 Maintenance of Supporting Documents. The Law Firm shall maintain a copy of each document relied upon in connection with any claim electronically filed through MFR Online. Copies may be retained in either paper or electronic format for no less than five (5) years. The Law Firm will timely provide copies of such documents to Verus upon request made on behalf of the Sepco Trust.
- 5.5 Confidential Information. Any claim information the Law Firm submits through MFR Online pursuant to this Agreement, including information submitted in Bulk Data Transmissions, as defined below, shall remain confidential information submitted for settlement purposes only and shall not be disclosed except as provided for herein, in the TDP or in the Sepco Asbestos Personal Injury Trust Agreement (as may be amended from time to time). In the event that the Law Firm directs another asbestos trust to transmit to the Sepco Trust any information from such trust for the purpose of settling a claim filed against the Sepco Trust (collectively, the "**Claimant's Prior Data**"), such Claimant's Prior Data may be used in processing the Claimant's claim against the Sepco Trust. The Law Firm hereby represents and warrants that for every claim submitted to the Sepco Trust through MFR Online for which the Law Firm directs another asbestos trust to transmit the Claimant's Prior Data to the Sepco Trust, the Law Firm is authorized to consent on behalf of each Claimant to such use of the Claimant's Prior Data, and hereby does so consent. The Law Firm understands and agrees that Verus and the Sepco Trust are relying upon the representations and warranties contained herein.
- 5.6 Use of Confidential Information in Bulk Data Transmissions. With respect to each Law Firm User that is permitted to file claims by Bulk Data Transmission, the Law Firm hereby acknowledges and agrees that each time a claim is filed by Bulk Data Transmission, the Law Firm reaffirms the representations and warranties set forth in Section 5.5 as provided therein.
- 5.7 Liens. The Law Firm hereby agrees that prior to disbursing funds received from the Sepco Trust to a Claimant, it will ask the Claimant whether the

Claimant is aware of any valid liens that exist relating to the subject claim and it will inform the Claimant that any such liens must be satisfied to the extent that such satisfaction is required by applicable law.

6. Settlement Offer, Acceptance, and Payment

- 6.1 Settlement Offers. After its review of a claim submitted electronically, Verus, acting on behalf of the Sepco Trust, shall communicate any settlement offer to the Law Firm through MFR Online. In the event the Claimant desires to accept any such settlement offer, the Law Firm will be able to electronically view/print, in a portable document file (.pdf) format, a customized release for use in documenting acceptance of the settlement offer (the "**Release**"). Upon the Law Firm's request, Verus will mail a hard copy of the Release to the Law Firm. The Release shall not be modified in any manner from the customized form that Verus provides through MFR Online or mails to the Law Firm.
- 6.2 Law Firm Required to Obtain and Deliver Signed Release. In the event a Claimant intends to accept a settlement offer communicated through MFR Online, the Law Firm will be responsible for obtaining the signature of the Claimant on the Release and delivering the Release to Verus. Delivery of the Release may be made in one of two ways: (a) the original, signed Release may be mailed to Verus or (b) an image of the original, signed Release may be uploaded to Verus through MFR Online, separately e-mailed, or faxed to Verus. In the event an image of the original, signed Release is delivered to Verus, the Law Firm shall maintain the original, signed Release for no less than five (5) years. Upon request made by Verus on behalf of the Sepco Trust, the Law Firm shall timely provide the original, signed Release to Verus.
- 6.3 Payment Method Options. At the Law Firm's option, Verus, on behalf of the Sepco Trust, will make payment of claims either by single or group check or ACH, pursuant to the instructions on file with Verus at the time of payment.

7. Limitation of Liability; Indemnification

- 7.1 Limited Damages. Except as specifically provided in this Agreement, or as otherwise required by law, neither Verus, the Sepco Trust, nor any officer, director, trustee, employee, contractor, or agent of either Verus or the Sepco Trust will be held liable for any damages of any kind, whether direct or indirect, incidental, special, or consequential by reason of the Law Firm's use of MFR Online.
- 7.2 DISCLAIMER. VERUS AND THE SEPCO TRUST MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND TO THE LAW FIRM OR TO CLAIMANT'S COUNSEL, ANY CLAIMANT OR

ANY THIRD PARTY, AND EXPRESSLY DISCLAIM ALL WARRANTIES, WHETHER IMPLIED OR STATUTORY OR ARISING OUT OF CUSTOM OR COURSE OF DEALING OR USAGE OF OR IN THE TRADE, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

8. Miscellaneous

- 8.1 No Assignment. No Party may assign or otherwise transfer in any way any of its rights and obligations arising out of this Agreement without the prior written consent of the other Parties, except Verus, with the Trust's permission, may assign or otherwise transfer this Agreement to another entity that processes asbestos personal injury claims, provided such entity agrees to be bound by the terms of this Agreement.
- 8.2 Termination. Any Party may terminate this Agreement in its entirety upon written notice to the other Parties. On the effective date of termination of this Agreement in its entirety, Verus will cease providing the Law Firm access to MFR Online, and the Law Firm will cease making online claim submissions or having access to MFR Online claim review.
- 8.3 Disputes. Any dispute among the Parties relating to claim allowance or disallowance, or the appropriate categorization or settlement value of a claim submitted by the Law Firm to Verus, will be resolved pursuant to the TDP.
- 8.4 Force Majeure. No Party will be liable for any failure or delay in its performance under this Agreement due to any cause beyond its reasonable control, including acts of God, epidemic, pandemic, embargo, riot, sabotage, labor shortage or dispute, governmental act, or failure of Internet service, provided that the delaying Party (a) gives the other Parties prompt notice of such cause, and (b) uses reasonable efforts to promptly correct such failure or delay in performance.
- 8.5 Applicable Law. This Agreement shall be interpreted, construed, and enforced according to the laws of the State of Delaware.
- 8.6 Binding Effect. Each of the undersigned persons represents and warrants that they are authorized to sign this Agreement on behalf of the Party they represent, and that they have the full power and authority to bind such Party to each and every provision of this Agreement. The person executing this Agreement on behalf of the Law Firm is a licensed, practicing attorney who is a partner or other principal in the Law Firm. A signature on a copy of this Agreement transmitted by facsimile machine or other electronic means will have the force of an original signature.

- 8.7 Claim Deferral. Nothing contained in this Agreement shall be construed to provide a substantive right of claim filing deferral contrary to the TDP.
- 8.8 Conflicts. In the event there are conflicts between this Agreement and the TDP or the Sepco Asbestos Personal Injury Trust Agreement, the latter two control.
- 8.9 Severability. If any term or provision of this Agreement shall be declared invalid or unenforceable by a court of competent jurisdiction or by operation of law, the remaining terms and provisions of this Agreement shall remain in full force and effect.
- 8.10 Entire Agreement and Waiver. This Agreement, including its exhibits and any documents referenced within this Agreement, constitutes the entire agreement and understanding between and among the Parties concerning the matters set forth herein. This Agreement may not be amended or modified except by another written instrument signed by the Parties. Any failure of a Party to exercise or enforce its rights under this Agreement shall not act as a waiver of subsequent breaches.
- 8.11 NO INDUCEMENTS. NEITHER THE SEPCO TRUST NOR VERUS HAS MADE ANY REPRESENTATION, WARRANTY OR STATEMENT TO THE LAW FIRM IN ORDER TO INDUCE THE LAW FIRM TO EXECUTE THIS AGREEMENT AND THE LAW FIRM EXPRESSLY WAIVES ANY CLAIM OF FRAUDULENT INDUCEMENT TO EXECUTE THIS AGREEMENT AND FURTHER DISCLAIMS ANY RELIANCE ON STATEMENTS OR REPRESENTATIONS OF THE SEPCO TRUST OR VERUS IN WAIVING SUCH A CLAIM.
- 8.12 Counterparts. This Agreement may be executed in counterparts, and if any party so chooses by electronic signature, and each of the counterparts shall constitute an original, and all of which together shall constitute one instrument.
